I Will

Who knows how long I've loved you,
You know I love you still.
Will I wait a lonely lifetime?
If you want me to, I will.

For if I ever saw you,
I didn't catch your name
But it never really mattered,
I will always feel the same.

Love you forever and forever, love you with all my heart.
Love you whenever we're together,
Love you when we're apart

And when at last I find you,
your song will fill the air;
Sing it loud so I can hear you,
Make it easy to be near you,
for the things you do endear you - to me.
... You know I ... will.
